

## **St. John Valley College Access Program**

*Cara Merrill/John Metz/Mary Ouellette*

Maybe you've always dreamed of going to college but never had the chance. Maybe you've always thought about going to college but doubted you could succeed. Perhaps you've been out of school for a while and wonder whether you can keep up with younger students just out of high school. Maybe you've just completed high school and never thought about college until now. The St. John Valley College Access Program can be your ticket to a college education!
