

Put Yourself on
The Path to College
Success

College is where
your future
takes off!

- Maybe you've always dreamed of going to college but never had the chance.
- Maybe you've always thought about going to college but doubted you could succeed.
- Perhaps you've been out of school for a while and wonder whether you can keep up with younger students just out of high school.
- Maybe you've just completed high school and never thought about college until now.

CAP helps learners get into college and earn degrees.

Get what it takes to succeed in college!

The St. John Valley College Access Program provides:

College Readiness Courses

College Ready Math

College Ready Reading

College Ready Writing

College Ready Computer Applications

Success-Building Workshops

College Planning

Applying for Admission & Financial Aid

Study Skills

Time Management

Stress Management

Career Decision-Making

Language of College

Academic Mentoring

Individual assistance with material covered during class sessions

CAP helps learners avoid the time and expense involved in taking developmental courses.

"The St. John Valley College Access Program has helped me review and strengthen the skills I needed to attend college."

~ Connie Caron, Spring 2009

Experts agree that college graduates qualify for better paying jobs and enjoy better benefits and greater earnings over the course of a working lifetime.

What do you have to lose?

Nothing!

What do you have to gain?

The confidence to achieve your educational goals!

The skills you need to succeed in college!

Real experience on a college campus before you start your college studies!

Relationships with other participants in the transitions program!

Program Schedule

The college transitions program lasts for a full semester (15 weeks: August to December or January to May)

Daily Schedule

Monday:

8:00-10:00 AM: College Ready Reading, Writing, and Computer Basics

10:00 AM-Noon: Success-Building Workshops

Wednesday:

Noon-3:00 PM: College Ready Math

Voluntary academic mentoring for individuals who want extra assistance with subject matter is provided.

What do you need?

Just two things:

1. The commitment to attend college.
2. The desire to succeed

The St. John Valley College Access

Program is available at no cost to you.

You bring the motivation and we supply the rest!

What do you get?

80 hours of college readiness instruction in math, reading, writing, and computer applications.

Over 20 hours of success-building workshops.

Textbooks that are yours to keep and use as reference guides when you're in college.

The chance to experience student life on campus.

Help deciding on a career field and major field of study.

Assistance applying for admission to college and for financial aid.
